2. (Internal Use Only - PLC) Met with Mr. Phil Argento, in the office of Senator John V. Tunney (D., Calif.), and discussed a proposed reply to a letter from a constituent who commented on an article appearing in a Eureka, California, newspaper. The article reported that CIA, FBI, and Treasury were conducting an investigation of the bombs placed in safety deposit boxes of several banks in the U.S. The constituent was seriously concerned that the Agency was engaging in internal security matters. I assured Mr. Argento that the Agency was in no way associated with the investigation and he stated he will reply to the constituent accordingly.

3. (Unclassified - RW) Miss Meloney, in the office of Representative Dominick Daniels (D., N.J.), called to request an employment interview for [REDACTED] This was arranged for 10 a.m. tomorrow with [REDACTED] Personnel.

4. (Internal Use Only - JGO) Talked to Mr. Ralph Preston, House Appropriations Committee staff, who told me that Representative Tom Bevill (D., Ala.) has been assigned to the full Committee as a new member but no assignment has been made to replace Representative Andrews on the Defense Subcommittee. Mr. Preston does not know whether to expect an assignment to fill Representative Andrews spot before our meeting with the Committee on Thursday.

10. (Internal Use Only - PLC) Miss Jane Goforth, in the office of Senator Henry M. Jackson (D., Wash.), called for assistance in preparing a reply to a letter from a constituent who commented on a radio program that Congress does not know how much money is appropriated to CIA. I informed Miss Goforth of the statutory and other requirements to protect the overall budget and of the congressional review through the Appropriations Committees of the House and Senate. I offered to assist Miss Goforth in the preparation of her reply; however, she said the information I provided would suffice. I also mentioned our pamphlet on the origins of the Agency, and she requested a copy to send to the constituent.
